

It is to be announced respectfully that, **Petro Foolad Gharb Company** enjoys from more than 30 years of experience in the field of production and provision of the metal and electric parts for oil, gas, petrochemical and steel industries refineries. This factory is located at ESHTEHARD Industrial Town and on a 6000 square meter ground, 3600 square meter production hall, 220 square meters for recreation space, 400 square meter for roofed warehouse, 700 square meter for open warehouse and 120 square meter for laboratory and quality control which are equipped with different devices and machineries such as CNC punch, CNC/BREAK press device, CNC cutting device, different stroke presses and different lathe machines, pipe ironing, hydraulic press, guillotine, press bend, automatic units and different forming roll devices.

Leaning upon its experts and committed-experienced personnel, this company could receive ISO 9001: 2000 on 2004 and ISO/TS 29001:2010, ISO 1400: 2004 and OHSAS 18001:2007, ISO9001: 2008 ON 2013. It also joined the Association of Oil Industry Equipments Producers, and since 2007, this company has been designated as the sole representative for SAVEH Profile and Rolling Factories in order to sell conduit. (Documents attached)

In addition to mentioning to some of the activities and productions of this company through following text, it is worth mentioning that **Petro Foolad Gharb Company**, has its place in Vendor List of Iran Oil Building Engineering Company, POGC Company, Southern Oil Rich Regions Company, Tehran Oil Product, Iran National Oil Company, engineering company and oil industries building, Spec Company, contractors and companies.

Field of activities, and productions of **Petro Foolad Gharb Company** (D.I. Co)

1-Producing different cable tray and ladder with different width and up to 150 millimeters, unistrut rail and its related clamps

2-Production and provision of different conduits (electricity pipes), seamless pipes, hidden seams pipes, aluminum conduits with 3 to 6-meter length and 1/2 to 6-inch size and different grooves (based on contractor order)

3-Production of all joints related in conduits (such as coupling, bushing, locknut, aluminum conduits, and different related clamps)

4-Production of all glands specialized for barded cables, far beam, and flexible pipes specialized gland

5-Production of different aluminum and steel boxes with IP66 & IP54 as Protection degree

6-Production of different devices related in earthing such as earth bar and its accessories, copper sheet, and different copper clamps related in earth

7-Production of light bases up to 18 meter in accordance with contractor order

8-Provisioning barded cables, far beam and pertulin

9-Provisioning all anti explode devices, light lamps, different boxes, power and command board

10-Provisioning different industrial and home lighting devices

11-Provisioning and producing earthling system devices such as earth bar, copper sheet, copper wire, different moulds and welding powder, different copper clamps and copper to aluminum clamps, etc.

12- Provisioning different industrial sockets, normal and rain switch and sockets and other lighting devices

Sell Representative for selling productions of SAFA, SAVEH Profile and Pipe Company

- Different galvanized water pipes from 1/2 to 8 inch
- Different dark pipes for central heating from 1/2 to 4 inch
- Different building profiles and cans from 8*8 to 400* 600 millimeter
- Different corners and gutters as cold rolling from 80 to 160 millimeter
- Provisioning of different simple and ribbed round bar with different sizes
- Provisioning of different black and galvanized sheets

Here are list of some companies which we had the honor to have cooperation with them

1-National-Engineering Company of Iran Oil Building, phase 17, 18, 20, 21 projects and south pars

2-FARADAST ENERGY FALAT Company, Persian Gulf Star project

3-Sazeh Consortium- JAHANPARS, BIDBOLAND Refinery project

4-KANGAN PETROPALAYESH Company- KANGAN refinery project

5-ARDAKAN Steel Complex- ARDEKAN Steel Project

6-JAHAN TEJARAT TAT, Iran Mall Project

7-PAYDAR PEY SAZEH, Iran Mall and Mashhad Mall Project

8-CHEGALESH Consulting Engineers- BO ALI SINA Petrochemical

9-LTE project Sazeh Company, NGL3200 project (ARAK-SHAZAND Project and South Pars, Phase 12 Project)

10-NARGAN Company (south pars, phase 12, MAHABAD Petrochemical, LORESTAN Petrochemical, KORDESTAN Petrochemical, South Pars phase project, ARYA SASOOL, Isfahan refinery)

11-DORRIZ engineering company
(Isfahan Refinery)

12-SAZEHPAD Company, BIDBOLAND Refinery project

13-IRITEC Company (AMAC Project- ESFARAYAN Combined cycle- FOOLAD MOBARAKEH F model- TABAS Mine Sand (SANGE MADAN)- KHORASAN FOOLAD (steel)- SARCHESHMEH Copper(MES)- CHADORMALU- KHORASAN Direct Revival (EHYAE MOSTAGHIM)-ARFA ARDEKAN Direct Revival (EHYAE MOSTAGHIM)- GHADIR EIR Direct Revival (EHYAE MOSTAGHIM- HORMOZGAN FOOLAD (STEEL)- Persian Gulf FOOLADE SABA)

14-Energy Industries engineering and Designing Company (EIED), Petroleum production refinery project of TABRIZ- ARVANDAN Project- West KAROON- ILAM Petrochemical- Desulfurization of ALFIN Unit- HDPE

15-JAHANPARS Company (DARKHOEIN Project, YADAVARAN Project and ARVANDAN Project, BOOSHEHR Refinery and DAREHZAR Project)

16-SINOPAC Company (YADAVARAN Project)

17-MAPNA Boiler Manufacturing and Engineering Company (KERMAN mixed cycle boilers and its 44 units, project- 12 boilers project for DAMAVAND thermal recycling power plant in 44 units, project- conduit project and DAMAVAND site accessories- conduit projects and its accessories of MOBIN Site- SANANDAJ mixed cycle power plant- YAZD mixed cycle power plant- 40 boilers- GHESHM power plant- KAHNOOJ Project- CHADORMALU Project- BEHBAHAN Project- GOLGOHAR Project)

18-DANIELI CO (DISCO Project- YAZD ALLOY STEEL Project- Phase 1 MIYANEH Steel Project- SANGAN Steel Project)

19-KORDESTAN Petrochemical

20-IRAN Industrial Networks Development Company (South Pars Gas Reserves Development Project- Phase 12)

21-Refinery Plan National Engineering Company

22-BAKHTAR PETROCHEMICAL

23-REJAL Petrochemical Company

24-FAJR Petrochemical Company

25-MAHABAD Petrochemical

26-JAM Petrochemical

- 27-SHAZAND Petrochemical
- 28- ARAK Petrochemical
- 29-KIMIA PETROGAS (phase 20 & 21)
- 30-KAVIAN PETROCHEMICAL
- 31-BO ALI SINA PETROCHEMICAL
- 32-KISH PETRO
- 33-NAMVARAN COMPANY (METHANOL MARJAN PROJECT)
- 34-FAKOOR SANAT ENGINEERING COMPANY (GOHAR ZAMIN PROJECT)
- 35-FOOLADEKHOOZESTAN COMPANY (PELLETIZING PROJECT)
- 36-METALS and MINES ENGINEERING COMPANY MME (DIRECT REVIVAL PROJECT OF SHADEGAN STEEL)
- 37-KOHKILOOYEH and BOYERAHMAD COMPANY (8 INCH PIPES, API)
- 38-IRAN NATIONAL GAS COMPANY (KANGAN PROJECT)
- 39-ODCC COMPANY (ABADAN REFINERY PROJECT, SHIRAZ REFINERY, TABRIZ REFINERY (SRP)
- 40-CHEGALESH COMPANY (KISH GAS PRESSURE Strengthening Station Project- SARAJEH GHOM PROJECT)
- 41-GHAEMOLREZA Industries Complex (purchasing pipes and electric joints for firefighting system and telecommunication cables installation equipment related in high oven project for balance plan-agglomeration and coke making for balance plan)
- 42-PAYAFOOLAD COMPANY (HORMOZGAN STEEL PROJECT)
- 43-IMENBEHINEHSAZ COMPANY (8 INCH PIPES, API)
- 44-MINI MAX COMPANY (TOOS, YAZD, CHABAHAR, GHAEN POWERPLANT PROJECT, their contractor is TOOGA Company (MAPNA TOURBIN MANUFACTURING COMPANY)
- 45-KERMAN Tableau Company (IGAT V)
- 46-FARAB COMPANY (KOOHRANG DAM PROJECT)

47-MAPNA CONTROL and
ELECTRICITY COMPANY (SOUTH PARS, ASALOOYEH, ARDEBIL, KERMANIAN,
DAMAVAND Projects)

48-Fars Gas Company (Fars project)

49-EHSAN Contribution Company (TEHRAN Refinery Project)

50-MAZANDARAN Electricity Tableau Manufacturing Company (YADAVARAN Project,
SINUPACK as Contractor, Plan executor: PARAK OIL Engineering-planning Company)

51-SEPAHAN NIKOO SAFA Company (PERSIAN GULF FOOLAD (STEEL) SABA PROJECT)

52-JAHAN NOOR Company (phase 19 project for south pars)

53-ILAM PETROCHEMICAL COMPANY (ILAM PETROCHEMICAL ALFIN UNIT PROJECT)

54-PAYANDAN Company (South Pars Gas Reserve Development Plan Project –phase 14-)

54-MIYANEH FOOLAD (STEEL) Company (To Construct Sponge Iron Manufacturing Factory)

56-IRANKHODRO Company (ISFAHAN Steel Company, Rolling 650, IRANIAN SIRJAN FOOLAD
(STEEL) Complex)

57-Construction Company (phase 20 and 21 project, 17 & 18 phase- ASALOOYEH BOOSHEHR
PETROCHEMICAL- ASALOOYEH JAM PETROCHEMICAL- GASB Project (South AZADEGAN
Oil) GOLFA MINE Project)

58-PETROPARS Company (phase 19, project)

59-KANGAN Company (HDPE Project, SOROOSH MAHESTAN)

60-KANI MESS (COPPER ORE) Company

61-Middleeast Industry Criterion Company

62-ARASHNABALBORZ FOOLAD (STEEL) Company

63-MIYANDOAB PETROCHEMICAL Company

64-TABRIZ Oil Refinery Company

65-AZARAN Industrial Structures Company

66-Structre (ARYASASOOL Project, BOOSHEHR)

67-IRITEC (LANSEHORMOZAGAN
Project, FOOLADEGHAENAT, SANGAN)
